

## Lodging & Facilities

**The FM CVB helps visitors to this region experience our warm hospitality, whether that visitor is here on business or pleasure – part of a tour, a convention, a family event or a vacationer.**

As the largest metropolitan area between Minneapolis-St. Paul, Minnesota and Spokane, Washington, Fargo-Moorhead has continuously been recognized for quality of life and economic vitality.

### It's a college town

Home to multiple universities and colleges, the largest include North Dakota State University in Fargo, and Minnesota State University, Concordia College and Minnesota State Community and Technical College in Moorhead, the community creates an opportunity for lifelong learning. The large number of students here—more than 26,000—helps drive the need for unique attractions, cultural events, shopping and nightlife that benefit all visitors.

### Variety of lodging and dining choices

With more than 45 motels and hotels in Fargo-Moorhead, the community has 4,100 guest rooms plus 350 restaurants offering everything from casual dining to unique, locally-owned fine dining.

### Meeting and event facilities

Any size meeting or convention is a good fit with the options available across Fargo and Moorhead. Non-lodging facilities and venues provide more than 60 meeting spaces designed to accommodate groups from less than 70 and up to 25,000 – and everything in between. Hotels and motels in the community add another 112 meeting rooms and conference venues, with capacity up to 1,800.

Once we obtain your request for proposal our sales team sends the criteria to those meeting facilities that could host the event, which saves you time and money. Our goal is to make doing business in Fargo-Moorhead as easy as possible. Matching F-M products and services to your events allows for a comprehensive, accurate proposal package.
