

# Fun-tastic Family Weekend

Fargo-Moorhead offers fun for the whole family!

Begin your day with a ride on the 1928 Allan Herschell Carousel at the Red River Zoo. While you are there, stroll through the many exhibits featuring rare and endangered species from cold weather climates.

Next, stop by one of the largest all-sports stores in the world, Scheels. Take a ride on a 45-foot 1953 park-style Ferris wheel, inside the store.

After you have taken a few spins on the “Scheels Wheel”, head over to the Children’s Museum at Yunker Farm. Fun will be had by all as you wander through the interactive exhibits ranging from the anatomy of the human body to creating your own puppet show! When it’s time for a treat, stop by the Moorhead Dairy Queen where the Dilly Bar was invented.

The next day, make time for the Fargo Air Museum, where you can enjoy the preservation of history through static displays and historic planes that still fly! Next, stop by Zanbroz to pick up a unique gift to take home with you. Finish off your day with some mini golf, laser tag, and go-carts at local arcade and amusement park, Thunder Road.

## Itinerary Highlights

- Red River Zoo
- Scheels Ferris Wheel
- Children’s Museum at Yunker Farm
- Dilly Bar @ Moorhead Dairy Queen
- Fargo Air Museum
