

Girlfriend's Weekend

Getting away with the girls is a must have, so why not come to Fargo! We have plenty to offer for a relaxing getaway!

Start your weekend in downtown Fargo with a relaxing yoga session at the Fargo Brewing Company. Enjoy breakfast at Nichole's Fine Pastry, a local favorite, before indulging in excellent shopping. Downtown Fargo-Moorhead offers a variety of unique boutique shops and some well known chain shopping options. When lunch time rolls around, there are plenty of options, from sushi to deli sandwiches, for a quick bite or a long leisurely lunch in the downtown area.

Later in the day, enjoy the beautiful Plains Art Museum with its permanent displays of contemporary and traditional artwork, as well as their most current traveling exhibit. Share some relaxation time with your girlfriends at one of our local spas with mani-pedis or facials. To commemorate the weekend, create your own masterpiece at Creatively Uncorked. Finally, sip martinis and enjoy an elegant dinner at Sky Prairie on the roof of Hotel Donaldson.

The next morning, enjoy brunch at the Gallery Restaurant inside the Holiday Inn. Spend the afternoon exploring West Acres Mall and the variety of shopping options in the surrounding area. Be sure to Stop by Scheels for excellent sporting goods shopping and a sample of some tasty fudge at Grandma Ginna's!
