

# The "Fargo" Experience

Did you love the movie or television series "Fargo"? Even though neither of them was actually filmed in Fargo-Moorhead, we have definitely run with it! Ya, Sure, you bet' cha!

Grab a bite downtown at local favorite Rhombus Guys Pizza and enjoy some of Fargo Brewing Company's Woodchipper IPA on tap. Later, meet "Wood Chip Marge" at the Fargo Theatre and enjoy a showing of the award winning movie.

After the movie, come to the visitor center to meet the star, the Woodchipper, and its stunt double. Be sure to get your picture in a bomber hat and grab a t-shirt, post card, or coffee mug! While you're there you might as well take a stroll along the Walk of Fame.

Stop by Carol Widman's to taste the world famous chocolate covered potato chips, Chippers. End the day with a tour and samples at Maple River Winery, home to the special edition Woodchipper Rhubarb wine, don't-cha-know
