

# SAMPLE ITINERARIES

## See the stars in our skies

The vast openness of the Red River Valley is breathtaking, but the ones in the sky are not the only stars in Fargo-Moorhead!

Begin your star-studded day with a tour of the public broadcasting station with the stars of Prairie Public, right in the heart of downtown Fargo. Catch a show at the historic Fargo Theatre. While you are there, be sure to meet the stars of the theatre, the Mighty Wurlitzer, a restored theatre pipe organ and “Wood-Chip Marge”, the wood carved likeness of one of the stars of the movie, “FARGO”.

Trek over to Space Aliens Grill and Bar for an out-of-this-world dining experience. Munch on their famous barbeque ribs or one of the specialty wood-fire pizzas.

Stop by the Fargo-Moorhead Visitor Center and mosey through the Celebrity Walk of Fame with over 100 celebrity signatures, hand, and foot prints in cement. While you're there, visit the star of the movie “FARGO”, the woodchipper!

Complete your day with a journey to see the real stars in the sky at the Minnesota State University Moorhead Planetarium, and have a Star Party at Buffalo River State Park.

### Itinerary Highlights
